DCFoF and is a tax exempt 501(3)c organization that receives no government funding. **Donations are very much appreciated!**

Dane County Friends of Ferals is a tax exempt 501(3)c organization that receives no government funding. We are comprised of about 60 dedicated volunteers, a 10-hour-per-week veterinarian and 7 board members committed to creating a better future for feral cats. All of our cats come to us as strays so the cost of veterinary care can be quite high. We rely heavily on private donations because without support from people like you we would not be able to continue helping the feral cats of Dane County.
